

Electronic Funds Transfer Act Agreement Regulation E Disclosure

This disclosure contains important information concerning electronic fund transfers, such as automatic credits and debits to your account, as well as electronic fund transfers through ATMs, 24 Hour Account Information by telephone, and other electronic terminals. Please read it carefully and keep it for future reference.

The words "we", "us", "our", and "your bank" mean First Federal Bank of Louisiana. The words "you" and "your" mean any authorized user(s) of your First Federal Check Card, ATM card, or 24 Hour Account Information. "Checking Account" means your NOW Interest Checking, Advantage Interest Checking, Choice Checking, Community Interest Checking, Advantage Money Management Account, ETA Account, eVantage Account, or personal DDA. "Savings Account" means your Regular Savings Account. "PAL Account" means your Pre-Authorized Line of Credit Account. "HELOC Account" means your Pre-Authorized Home Equity Line of Credit Account.

You will be given a tamper proof PIN mailer at the time your ATM card is issued to you. Your First Federal Check Card will be mailed to the address on your account and your PIN will be selected at the time of activation. You must sign your name on the signature panel on the back of the card. Please examine the mailers to ensure they have not been tampered with prior to accepting the card and PIN.

From time to time we may restrict the use of your card in certain countries in which debit card fraud is known to take place. If you have any concerns, please check with us before depending upon your debit card during travels abroad.

Acceptance, retention or use of the First Federal Check Card or ATM Card by you constitutes an agreement between First Federal Bank of Louisiana and you as stated in this agreement.

I. Consumer Liability

Tell us AT ONCE if you believe your card or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card or PIN, you can lose no more than \$50 if someone used your card without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card or PIN, and we can prove we could have stopped someone from using your card without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

VII. Receipts & Statements

Generally, a receipt will be provided to you at the time you make any transfers to or from your account using your card. Federal law does not require a receipt for transactions \$15 or less. A monthly statement will be mailed to you on each account.

VIII. Preauthorized Payments

(a) Right to stop payment and procedure for doing so

If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how: Call 337.433.3611 or write to us at 1135 Lakeshore Drive, Lake Charles LA 70601, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you \$28 for each stop payment order you give us.

(b) Notice of varying amounts

If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

(c) Liability for failure to stop payment of preauthorized transfer

If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

(d) Stop Payment on Debit Card Purchases

Stop payments are not allowed on purchases made with a Visa Check Card. If you experience problems with goods or services purchased with your Visa Check Card and are unable to resolve the problem with the merchant, you may request that the bank initiate a charge back. A charge back is a reversal of a sales transaction. You will need to provide the bank with a detailed explanation of the problem and all the steps you took to resolve the problem with the merchant. Visa will notify the merchant and determine whether or not to reverse the transaction.

IX. Bank Liability

If we do not complete a transfer to or from your account on time or in the amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, your account does not contain enough money to make the transfer.
- If the transfer would exceed the available balance in your account or your Overdraft Protection limit.
- If the ATM where you are making the transfer does not have enough cash.
- If the terminal was not working properly and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- If your funds are subject to legal process or other encumbrance restricting such transfer.
- If your account has been blocked due to a reported lost or stolen card or PIN.
- If we are holding uncollected funds in your account and the transfer would require use of those funds.

- If another person or entity which is supposed to initiate the transfer, such as a life insurance company or the Social Security Administration, fails to send to us the appropriate authorization for the debit or credit.
- There may be other exceptions.

XIII. Electronic Fund Transfers Initiated by Third Parties

If you voluntarily give information about your account (such as our routing number or your account number) to a party who is seeking to sell you goods or services, and you do not physically deliver an authorization to the party to initiate electronic funds transfer from your account, a debit to your account initiated by the party to whom you gave the information is deemed authorized by you.

XIV. Visa International Service Assessment (ISA) Fee

If there is no currency conversion (a "single-currency transaction") the ISA fee will be 0.8% of the transaction amount; if there is a currency conversion (a "multi-currency transaction") the ISA fee will continue to be 1% of the transaction amount, as previously disclosed to you. Visa defines an international transaction as a transaction where the card-issuing financial institution's country is different than the merchant's country. Thus, a transaction over the Internet could qualify as an international transaction.

XV. In Case of Errors or Questions about your Electronic Transfers

Telephone us or Write us at the address described in this disclosure under 'Who to Contact' as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

For certain purchase transactions made via the Visa network, you may have no liability for unauthorized transactions. This additional limit on liability does not apply to ATM transactions, to transactions using your Personal Identification Number, which are not processed by Visa. Visa is a registered trademark of Visa International Service Association.
